# Kindergarten Orientation

Saturday, May 13, 2017 9 am – noon

We will begin in Building C where families will be directed to a Kindergarten classroom.

Students will remain with teachers for some fun activities while parents move to Building H for a Parent Presentation.

Following the classroom activities, students will be escorted to Building H area to join their parents.

This is a great time for you and your student to meet the Kindergarten teachers and learn more about the ANP experience.
