

Headmaster Letter

Dear Archway Families and Friends,

What an exciting first week of school at our new location! Lots of smiles, making new friends, learning new procedures and getting in the swing of doing school. We are very excited about all the new campus has to offer and I would be remiss if I didn't personally extend my appreciation to all of those who have participated in our Capital Campaign to help finish things off. To date we have raised just shy of \$600K, but our goal is \$1.3 million. If you have not had the opportunity to give, please contact Ms. Emily Lawson, our Director of academy giving at elawson@archwaynorthphoenix.org. It was so good to see so many smiling faces of returning and new families alike.

The challenges of improving the drop-off and dismissal process continue to be a priority for our administration and I, again, want to extend my gratitude to all of the volunteers who are helping to make this happen. Mr. Perkins and his crew have been life-savers for Mr. Fee, myself and the entire ANP faculty. If you would like to volunteer on a regular basis (regular could mean once a week, not everyday), please email Mr. Perkins at president@anppso.org. I sent an email previously today with an update. We are ready to get the year started! Please read on for some important information, including . . .

Wednesday Early Release Homework Club

Homework is provided to families who have children at the Archway AND Prep level. This program is coordinated through Athenaeum and families can sign up for it on the ANP website under the Athenaeum tab. Under 'Athenaeum Options' choose homework club. There are three choices depending on how many children you have. Pick-up for homework club is done on the north side of the building at the east lobby entrance. Parents will need to park and enter the east lobby for pick-up. Prep students are allowed to pick up ANP siblings as long as parents have listed them as authorized to pick up AND they have their "blue card". Please contact Maureen Mure at mmure@greatheartsaz.org with questions.

Skyhawks

The first session of Skyhawks is scheduled to begin on Wednesday, August 16th. Soccer and basketball are the two sports being offered for all K-6th grade students. Basketball will take place at 2:30 pm and soccer will take place at 3:30 pm. At this time, both sessions are at capacity. We are working with Skyhawks to see if additional spots can be made available. A communication to families signed up for Skyhawks regarding pick-up will go out Tuesday evening. Please be sure to look for it. If you have any immediate questions, please contact Seth Rutt at srutt@archwaynorthphoenix.org.

Classroom Newsletters

With a new year upon us, we are making some changes in regards to our communication with parents. Instead of receiving separate weekly newsletters from your student's teachers, they will now be included in the weekly community newsletter that is sent out on Monday afternoons. If you have any questions about the individual newsletters, please contact your student's teacher. Click the teacher name or grade level below to choose the newsletter associated with your student's classroom.

New Student Tutoring

In anticipation of the new-year and all of the new systems that we are putting in place, we are going to postpone the new student tutoring until August 28th. This will allow us time to help all of our students acclimate to the systems and routines of the new school and will give our teachers time to better understand the needs of their students. New student tutoring subjects, teachers, times and dates will be provided in the 8/21/17 community newsletter. Please look for information on new student tutoring in future newsletters.
