

Headmaster Letter

Dear Archway Families and Friends,

We are well underway with the school year and we are all adapting to our new surroundings. In time, I believe it will begin to feel like home.

We continue to improve upon the drop-off and dismissal procedures. Thank you again to all of our parent volunteers who help make this happen. I do need to remind families that we must keep clear of the neighborhoods and parking lots surrounding the school. These are not part of our traffic pattern, and if we continue to overflow onto these locations, then we cannot expect to have a great relationship with our neighbors. Additionally, it causes an unsafe situation for our children. If these practices continue, we can expect instead to see "no parking" signs, citations, and the towing of vehicles. That's not the kind of relationship that our academy wishes to have with our community, but it's what will happen if our families continue evading our published traffic pattern. Let's work together to be good neighbors in the community that we have moved into.

Final construction of the new playground will be take place this week with concrete being poured, the shade structure put into place, and the laying down of the surface, just in time for the North Phoenix Campus Dedication and ANP Curriculum Night scheduled for Thursday, August 31st. Please see below for details.

I am also looking forward to seeing many of you at our first North Phoenix PSO parent mixer this Saturday, August 26th at the Elks Lodge. More details below.

Be sure to check out the Quarter 1 Specials Newsletters below to learn what your student will be doing in these classes over the next several weeks.

New Student Tutoring

In an effort to assist new students in their transition to the academic rigors of ANP, new student tutoring will begin on Monday, August 28th for 3rd - 6th grade students. Tutoring will take place 3:20 - 3:50 pm on various days at every grade level. Please refer to your student's newsletter to see what subjects are being offered and when. Teachers will communicate with parents as to whether or not a new student should attend the tutoring. If you have any questions regarding your child's attendance, please be sure to contact your student's teacher. **Please note: There will be no after school tutoring for new students in Kindergarten, 1st and 2nd grade at this time.**

Wednesday Early Release

Our first early release of the school year proved to be challenging for several parents. **Please note that school is at 1:50 pm for all K-6th grade students every Wednesday.** For ANP families who have children at North Phoenix Prep (NPX), a Wednesday Homework Club from 1:50 - 3:20 pm is available. This club is coordinated through Athenaeum. Parents can register through the 'After School Programs' tab of the ANP website. Students attending Homework Club will be escorted to a classroom where they will be allowed to work on homework until Prep dismissal at 3:20 pm. Parents may park and enter the east lobby of the K-4 building to pick up their ANP students prior to 3:30 pm on Wednesdays **OR** they may authorize their Prep students to pick up their siblings from the MPR following the 3:20 pm dismissal and meeting parents on the south side of the campus. Prep siblings are required to show their blue card and provide a signature when checking their siblings out of Homework Club. If you would like your Prep students to pick up their ANP siblings from Homework Club on Wednesdays, please contact Ms. Mure at mmure@greatheartsaz.org with this information.

Classroom Newsletters

With a new year upon us, we are making some changes in regards to our communication with parents. Instead of receiving separate weekly newsletters from your student's teachers, they will now be included in the weekly community newsletter that is sent out on Monday afternoons. If you have any questions about the individual newsletters, please contact your student's teacher. Please click below to choose the newsletter associated with your student's classroom.
