Headmaster Letter

Hello ANP Family and Friends,

On February 3rd, students from both sides of the campus joined their families and made close to 1,800 sack lunches for Phoenix Rescue Mission. This exceeded their goal of making 1,000 lunches and required additional bread to be bought half way through the process. Below are a couple of pictures of the event.

As with all families, we experience victories and heart aches and I am honored to be a part of a community that quickly gives of their time to serve the needs on both ends of the spectrum. We, as a community, have experienced heartache and celebration over the last couple of weeks and I am humbled by the outpouring of love that our community has shown to one another. Truly, I thank you.

On the topic of LOVE, I am reminded that Valentine's Day is this week and although it is a great virtue to display and act upon, I am reminded to ask families to please refrain from sending in valentine cards and candy to be passed out to classmates. As with all holidays, we do not participate in classroom activities, such as valentine card exchanges or parties. We of course welcome extra kindness towards one another and an extra hug or two for our teachers is always welcome.

We will be celebrating Arizona statehood day on February 14th with our enrichment activity that will include Gary, the Singing Cowboy, as he explains some Arizona history and what cowboy life was really like way back when with the students. He will be accompanied by his trusty horse, Dusty, and will sing a few songs with the students as well.

Finally, please join me in welcoming two new members of the ANP faculty. Ms. Jacqueline Curtis will be serving as our Director of Academy Giving going forward. She comes to us with years of experience in customer service and operations. Additionally, she is a parent to a freshman Gladiator and an upcoming Kindergartner. Ms. Jessica Williams has joined the front office staff to help with serving our families in the front office. She also comes to us with experience in customer service and operations. She is the fourth oldest of eleven siblings and is quite familiar with serving the needs of young people. Please join us in welcoming our newest faculty members by saying hello the next time you are in the front office.

Please see below for announcements and class newsletters.

With Devotion,

Headmaster - Archway North Phoenix
