

Headmaster Letter

Dear Archway Families and Friends,

I was encouraged to learn today that the Governor's office and Arizona Legislative leadership worked through the weekend to draft the final language of the state budget so that it could reach the house floor today. It then enters the requisite three-day review period and will be up for a floor vote likely on Wednesday or Thursday. We are told it will pass.

This week's vote is a welcome step in the right direction. We look forward to continuing to advocate on behalf of our amazing teachers and protecting the culture of our academy while delivering our classical, liberal arts education model in the years ahead.

I would be remiss if I didn't extend my gratitude and appreciation to everyone who assisted our teachers, those who chose to attend the Capitol march and those who chose to remain in the classrooms, on Thursday. It was evident that we were all united in our effort to support the community last Thursday. The outpouring of love, encouragement, and food from our families was tremendous - breakfast and lunch provided for faculty, volunteers on campus to help with recess and lunch, and special thanks to Great Hearts Superintendent of AZ Schools, David Denton, teaching a 5th grade math class!

Please be assured that what we care about, most of all, is the well-being of our students. We believe that there are so many causes that are important and require the full commitment of those who believe in them. At ANP, we focus on what is common to us all - we concentrate on learning to respect each other and prepare students hearts and minds in such a way that they grow to be great-hearted individuals. This is our mission. We keep the political, the religious, and the like in the hands of parents and families and outside activities. Our teachers abide by the Handbook and the running of the school day.

Thank you for all you do to support our school and I look forward to seeing everyone at our annual SNP Spring Concert this Friday (see below for details).

Please reach out directly with any questions.

Sincerely,

Headmaster - Archway North Phoenix

From the Nurse

Dear Parents/Guardians,

Please remember to pick up your student's medications from the school nurse the last week of school. As a reminder, we are not allowed to let students carry medications to their parents. Don't forget to get your children's Epi-pens, inhalers and allergy medications for summer camp. I have thoroughly enjoyed caring for your children. Have a safe summer!

To Parents/Guardians of Incoming 6th Graders,

According to Arizona Revised Statutes 15-871-874, all students who are 11 years of age and in the 6th grade must have the TDaP booster and meningococcal immunizations. These immunizations must be completed before the first day of school in August. These two immunizations are given after the student turns 11 years old. Therefore, if your student is not 11 before the first day of school, the immunizations will be due as soon as your student turns 11. Please bring in proof of immunization status as soon as these immunizations are completed.

Thank you for your cooperation in this matter as it is important to the health of our school community. The Arizona Department of Health Services writes, "When immunization levels decrease, there is an increased risk for the spread of numerous vaccine preventable diseases, such as measles and whooping cough. Herd immunity provides a cocooning effect, buffering the population unable to be vaccinated against vaccine preventable diseases. As the percentage of people vaccinated in a community nears 100%, a larger buffer exists between the disease and those unprotected from the disease. Likewise, as this percentage decreases there is a higher risk of transmission of vaccine preventable diseases posed to the unvaccinated."

For more information regarding required immunizations please go to: <http://azdhs.gov/phs/immunization/school-childcare/requirements.htm>
