

Headmaster Letter

Dear Archway Friends and Families,

Please join us for the ANNUAL PSO BOARD meeting this Wednesday at 7 pm in the ANP MPR. We will be electing the 2018-19 Board positions and go over the tentative calendar for next year. Please join us!

Thank you to everyone for attending our annual Spring Concert on Friday evening. It was a wonderful event enjoyed by all.

Finally, some fun news to share . . . our 2nd graders in Mrs. Williams class received a letter from California State Senator, Mike Morrell, thanking them for the opportunity to take Stuart Little on an adventure at California's State Capitol. Below is a picture of Stuart Little with Mr. Morrell on the Senate Floor. Stuart was sent back to his class with a formal certificate acknowledging him for his honorable and virtuous behavior and thanking him for the example he sets for other mice and children at ANP and in the community. ANP 2nd graders read the book Stuart Little each year learning about the many virtues that Stuart practices. Students then write friendly letters to a family member or friend in which the virtues are described and request that he go on an adventure with them.

Have a wonderful week.

A handwritten signature in black ink that reads "Jay L Hawks".

From the Nurse

Dear Parents/Guardians,

Please remember to pick up your student's medications from the school nurse the last week of school. As a reminder, we are not allowed to let students carry medications to their parents. Don't forget to get your children's Epi-pens, inhalers and allergy medications for summer camp. I have thoroughly enjoyed caring for your children. Have a safe summer!

To Parents/Guardians of Incoming 6th Graders,

According to Arizona Revised Statutes 15-871-874, all students who are 11 years of age and in the 6th grade must have the TDaP booster and meningococcal immunizations. These immunizations must be completed before the first day of school in August. These two immunizations are given after the student turns 11 years old. Therefore, if your student is not 11 before the first day of school, the

immunizations will be due as soon as your student turns 11. Please bring in proof of immunization status as soon as these immunizations are completed.

Thank you for your cooperation in this matter as it is important to the health of our school community. The Arizona Department of Health Services writes, "When immunization levels decrease, there is an increased risk for the spread of numerous vaccine preventable diseases, such as measles and whooping cough. Herd immunity provides a cocooning effect, buffering the population unable to be vaccinated against vaccine preventable diseases. As the percentage of people vaccinated in a community nears 100%, a larger buffer exists between the disease and those unprotected from the disease. Likewise, as this percentage decreases there is a higher risk of transmission of vaccine preventable diseases posed to the unvaccinated."

For more information regarding required immunizations please go to:
<http://azdhs.gov/phs/immunization/school-childcare/requirements.htm>
